Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Patent Office issued a restriction requirement regarding claims 1-28 and 30-57. By the paper filed on November 9, 2007, claims 32-57 directed to a plant had been cancelled. All presently pending claims are directed toward a process. Therefore, the applicant elects Group I, claims 1-28 and 30-31 and submits that new claims 58-74 are directed to the same invention and be examined as well.

Respectfully submitted,

Nov. 27 2007
